*Good morning,*

*The application for **4557 Seagrove Landing Way** will need to be reapplied for as that address does not exist within the VOE boundary. The strap provided shows it belongs to [23550 COCONUT LANDING DR](#) and looking at the aerial view that address cannot be located. We will also be requiring plans for this project. For questions on what plans to submit please contact Jim Scialabba ([scialabba@estero-fl.gov](mailto:scialabba@estero-fl.gov)) and he can go over what is required.*

*Once you have reapplied, contact us via email or phone and we will push your app to the front.*

*Thank you,*
